Cracking the Amazon coding interview comes down to the time you spend preparing, such as practicing coding questions, studying behavioral interviews, and understanding Amazon's company culture. There is no golden ticket, but more preparation will surely make you a more confident and desirable candidate.

You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in

the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.
