Introduction To Media Production
The Introduction to Media
Production is the book that shows
this intersection among the many
forms of media, and how students
can use this intersection to begin to
develop their own high quality
work. Introduction to Media
Production is a primary source for
students of media. Its readers learn
about various forms of media, how
to make the best use of them, why
one would choose one form of
media over another, and finally,
about all of the techniques used to
create a media project. Introduction
