The Business Of In the business of definition is - to have (something) as one's job or purpose. How to use in the business of in a sentence. In The Business Of | Definition of In The Business Of by ... In 1970, Milton Friedman famously argued that the only social responsibility of business was to maximize profits. These profits, if only returned to the firm's owners (the shareholders, on whose behalf the management should rightfully act), could be put to charitable purposes as shareholders saw fit. By essentially delegating the task of collecting and disbursing [...] What Is the Business of Business? - Harvard University A business is defined as an organization or enterprising

entity engaged in commercial, industrial, or professional activities. Businesses can be for-profit entities or non-profit organizations. Business Definition - Investopedia Some companies and business organizations have taken strong public stances on these and similar issues. But in general, high-level, concerted corporate activism is more notable by its absence. Business leaders shouldn't fear taking a more forward role advocating the idea of a contract between business and society. What is the business of business? - a free business ... business an occupation or trade; a concern: That's none of your business.; commerce, company: My business is doing very well.
