Details about Western Heritage, The, Volume 1: Explore the changing nature of the West Rather than looking at Western civilization only as the history of Europe from ancient times to the present, this groundbreaking book examines the

changing nature of the West—how the definition of the West has evolved and has been transformed throughout history.

Most free books on Google Play are new titles that the author has self-published via the platform, and some classics are conspicuous by their absence; there's no free edition of Shakespeare's complete works, for example.

.
